Product Labeling

Do all hearing aid-compatible handsets include labeling? No

Explain: Not applicable. Webster Calhoun ("the Company") is a small rural CMRS service provider with operations that utilize the GSM air interface in the State of Iowa. The company provides its service in conjunction with Iowa Wireless Services d/b/a iwireless. The Company operates CMRS facilities but it does not currently have any subscribers, it does not have retail outlets and it does not offer wireless handsets to the public. As such, the Company qualifies for the de minimis exception set forth in Section 20.19(e) of the Commission's Rules.

Do all hearing aid-compatible handsets with the Wi-Fi air interface have clear and effective disclosure that the handset has not been tested for hearing aid compatibility with respect to its Wi-Fi voice operation? No

Explain: Not applicable. The Company does not offer wireless handsets to the public and it qualifies for the de minimis exception.

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? No
